OUR SERVICES

INTERIOR DECORATION & FIT OUTS:

You name it! We sculpt it!

Your need for an enticing interior decoration calls for our presence to distinguish your whole environment classy. We are just a call away to offer your living/working space an aesthetic makeover. We don't miss out the dire need for optimizing functional space out of the shrinking space availability too. We have satisfied each client of ours, by offering the best visual appeal coupled with optimal usable space, the innovative & zealous way. From a little flower vase to the most demanding entities viz., false ceiling, furniture & placement, panelling, cabinets, wardrobes, window makeover, fountains-indoor & outdoor, lawns, lobbies, modular kitchens, partitions to endless decorative options, we carefully analyse and execute the colour, light, texture, material and pattern that absolutely complements your architecture to express the theme you wish to, be it professional, personal, artistic, royal, elegant or whatever. You name it! We sculpt it! Our trained expert team of interior designers are dedicated to offer a completely personalized package of suggestions, options to suit your taste and craft your dream picture a reality..

MEP WORKS:

High performance @ optimized material cost!

Planning for a new home, office, renovation?.. Congratulations on your fantastic decision! You plans would have arrived with great dreams and a little panic about handling Mechanical, Electrical & Plumbing (MEP) essentials. Just relax... At EMTC, we assure to be your trusted partner in making your dream come true. Our well-informed, certified professionals will take care of all your MEP needs scratch to finish, with satisfaction, safety and comfort guaranteed. From planning, sourcing, warehousing, deploying competent technicians to installation, that seems mountains to be moved, we are right in there to handle. We focus on complete alignment of your preferences with the output to match the code of infrastructure, adhering to best-in-class standards and safety. Our proactive team has always ensured clients' choice from the latest trends and brands in the field that fuels our success journey.

SECURITY SYSTEMS:

Caring for your safety besides aesthetics and comfort!

At EMTC, we care for your safety besides aesthetics and comfort. We perceive security needs of every client, both at the domestic and business front with a tailor-made approach to offer exclusive solutions. Our wide range of security systems is a competitive gateway for CCTV surveillance and access control systems of leading global brands. Experience with us the benefit of superlative physical security and protection for your business & home. Count on us for an eye on everything you wish to be watched. Our certified professionals would facilitate all your security needs, end-to-end from assessment to installation of the suitable system in place that meets your requirements.

CIVIL WORKS:

Scratch to finish!

The next massive agenda that crops up is the Civil Work. And we pitch in to strategize and enable all your civil works from micro to macro. We have always distinguished our services to our clients by offering a comprehensive solution to adorn living and working spaces in & out, top to bottom with the great take away of their invaluable satisfaction. Our all-inclusive scope of services will accommodate

- Internal and external painting & texture finishing
- Flooring solutions: Laying marble, granite & ceramic tiles
- Swimming pool construction & installation of pool cleaner system
- Floor Covering: Synthetic carpets & vinyl flooring
- Window Covering: Venetian and vertical blinds
